HISTORIC AMERICAN BUILDINGS SURVEY

WALCOTT HOUSE

HABS No. MO-1488

Location: Highways 3 and 5 north of Fayette, Fayette vicinity, Howard County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Frame house built ca. 1840. With numerous additions built at various times, this old house in its present condition probably looks much as it did during the 1860s. The portico is typical of a rather simple type popular in this part of the state.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp and in 1986 by Deborah Fulton, HABS historians. A master list is available in the [REDACTED] records for MO-1800.
